

How does NatWest Virtual Pay Mobile work?

Enable Tap & Go virtual card purchases in three simple steps and benefit from a seamless card usage and expense management experience.

Achieve more with less

Click [here](#) for the new videos of the App

Reduce employee fraud with robust virtual card controls.

Save \$58 (£45) per expense report² thanks to upfront custom data and approval capture.

Shorten billing cycles with automatic reconciliation.

Save 20 minutes by eliminating expense reporting activities and **18 minutes** on corrections².

Boost company policy compliance and **prevent overspending** with well-defined virtual card controls.

No need for pre-payment. Avoid relying on personal funds to pre-pay for business purchases.
